### **The Kamchad Mongkolkul Resource Center**

is named after Assoc. Prof. Kamchad Mongkolkul, the first Director of The Petroleum and Petrochemical College. The Resource Center specifically serves industries that collaborate with the College.

**The Library at PPC** was established in 1992 and caters specifically to the petrochemical, polymer, plastics, surfactants, catalysis, and related fields in support of the PPC curriculum in its three majors: Petroleum Technology, Petrochemical Technology, and Polymer Science. In 2009, the library area was extended to 700 square meters, with new furniture and more services for its users.

### **Location**

The Resource Center and Library are located on the 8<sup>th</sup> floor of The Petroleum and Petrochemical College - Metallurgy and Materials Research Institute building, Soi Chulalongkorn 12, Phayathai Road, Patumwan, Bangkok 10330.

### **Collections**

The Library houses a wide range of textbooks, academic journals, reference books, theses, standards, videos, clippings, company profiles, and so forth. It provides more than 2,950 textbooks, 1,130 theses, and 15 foreign journals. Back issues have been formed into bound journals, with about 1,500 copies in English and 95 in Thai. More than 2,900 DVDs recorded from classes are a large part of our collection to serve our students.

## **Facilities**

### **— English Self-Access Learning Room**

The Library provides a room for English practice, which includes three stations for the Audio-Visual Lab for students who wish to improve their English skills. Many types of materials are available for use: videos, CDs and cassette tapes, movies, and an extensive collection of TOEFL, TOEIC, GRE, and CU-TEP preparation and test books, and graded readers.

### **— Internet Corner**

The Library provides computers and Wi-Fi to facilitate the work of the College's students for multiple purposes, e.g. thesis work and information searching through the Internet.

## **Database Searching**

Database searches can be done by visiting the Central Library's website, <http://www.car.chula.ac.th/curef-db/>, for many scientific databases in the Applied Sciences, both for bibliographical abstracts and for full texts.

- ◆ Engineering Village II (Engineering Information)
- ◆ Science Direct Online (full text Electronic Journals)
- ◆ ISI Science Citations Indexes (Web of Sciences)
- ◆ Scopus
- ◆ E-Books
- ◆ ACS Web Edition
- ◆ US Patents ... etc.

## **OPAC (Online Public Access Catalog)**

The Library offers two computer workstations for OPAC to assist in searching books and other collections of printed materials held at any Chulalongkorn University library through the Central Library website at: <http://www.car.chula.ac.th>.
